

BOOT CAMP VOCAB

Mr. Patterson

Equator

Prime Meridian

Relative Location

The diagram shows four objects arranged around a central question mark. At the top is a house with the text "In front of the house." to its right. To the left of the house is a tree with the text "To the right of the tree." below it. At the bottom is a car with the text "Behind the red car." below it. To the right of the house is a basketball hoop with the text "To the left of the basketball hoop." below it.

Absolute Location

The diagram shows a map on the left with a red pin and a label "Salmon Ledge School" and an arrow pointing to it. To the right is a grid of many small house icons, representing a specific geographic area.
